Life Sciences Skills Map

Six lines, 72 stops, 13 transfers. Lines cross only where they share a skill. Find your stops at RideTheRail.com

Red: Automation · Orange: Quality · Green: Regulatory & Clinical · Blue: Validation · Purple: Manufacturing & Engineering · Teal: R&D

Larger stops are transfers: skills shared by the two lines that cross there. Original artwork. © 2026 Fenway Life Sciences. Rail is a trademark of Fenway Life Sciences.

Feedback is the fare. · RideTheRail.com
